Indigo Reports Q1 Results Announces Launch of !ndgiotech™ and Poppin™ Indigo named TOP Retail Employer Brand

TORONTO, ON - August 7, 2013 -- Indigo Books & Music Inc. (TSX: IDG), Canada's largest book, gift and specialty toy retailer reported revenue of \$171.5 million for its first quarter ending June 29, 2013. Revenue declined 8.1% from the previous year due primarily to the phenomenal success of the Fifty Shades and Hunger Games trilogies last year. The Company is also operating eight fewer small format stores. Excluding revenue from the two hit trilogies, revenue declined only 1.3% from the same quarter last year. The Company again experienced double-digit revenue growth in lifestyle, paper and toy products.

On a comparable store basis, Indigo and Chapters superstores posted a 7.3% decrease in revenue, while Coles and IndigoSpirit small format stores were down 13.1% with the impact of the blockbuster trilogies. Excluding the blockbuster titles, comparable store sales declined 1.6% in superstores and increased 1.1% in small format stores. Online sales were flat compared to the same period last year notwithstanding the impact of Fifty Shades and Hunger Games series. Additionally, online sales of lifestyle, paper, and toy products continue to grow.

The Company recognized a net loss of \$15.0 million for the 13-week period ended June 29, 2013 (\$0.59 net loss per common share), compared to a net loss of \$5.5 million (\$0.22 net loss per common share) last year. The decrease was primarily the result of the decline in hit-related book sales, higher inventory markdown as well as intentionally higher selling and administrative expenses compared to last year. As part of its transformational strategy to drive top-of-mind consumer awareness in its key growth categories, the Company invested more in building its general merchandise capabilities and in marketing.

During the quarter, the Company announced the arrival of Poppin®, a lifestyle brand that brings design to the desk top. Indigo is the exclusive Canadian retailer in store and online at Indigo.ca.

Indigo also announced the introduction of 39 !ndigotech™ shops within its stores to launch across Canada in Q2 and Q3. In addition to Kobo devices, !ndigotech™ features a wide selection of Apple® products including iPad™ and iPad Mini™ tablets, iPod® devices and AppleTV®, Apple® accessories, and a curated selection of other design inspired lifestyle electronics and accessories.

In the quarter, Indigo was named the top Canadian retail employer, and sixth overall out of all employers, by Randstad Canada. The Randstad Award rewards and encourages best practices in building the best employer brands, and is the only employer award where winners are chosen entirely by workers and job seekers in search of employment opportunities within Canada's leading organizations.

Also during the quarter, Indigo announced for the ninth consecutive year that the Love of Reading Foundation will donate \$1.5 million to 20 high-needs elementary schools in an effort to bolster literacy and transform school libraries across the country.

The Board of Directors today approved a quarterly dividend of 11 cents per common share to be paid on September 4, 2013, to all shareholders of record as of August 21, 2013.
