Indigo Buyers Offer Canadians The G-20 Essential Reading List

TORONTO – June 11, 2010 –The buyers at Indigo Books & Music Inc. have compiled a comprehensive *G-20 Essential Reading List* to offer Canadians a better understanding of the issues and discussions shaping the global economic summit being hosted in Toronto, Canada later this month. From the gifted writing of Michael Lewis in [The Big Short](#) to Dambisa Moyo’s controversial [Dead Aid](#), the cross section of authors and theorists featured on the *G-20 Essential Reading List* offer an informative assortment of political and economic perspectives.

“Our team of buyers have selected an assortment of titles that may help contextualize the complexity of the G-20 Summit,” said Bahram Olfati, Vice President, Adult Trade, Indigo Books & Music Inc. “The diverse perspectives from acclaimed writers that we’ve brought forward resonate with Canadians because their books provide background on the current socio-economic situation while helping us to better understand the world around us.”

The G-20, comprised of finance ministers and central bank governors representing both advanced and emerging economies from all regions of the globe, meet in Toronto on June 26 and 27, 2010. Founded in 1999, the G-20 began as a forum to discuss global economic issues and has since evolved into the premier leaders’ forum for international economic cooperation. Through Indigo’s *G-20 Essential Reading List* Canadians can discover more about navigating the issues, influences and deliberations of this year’s Summit and the current global economic situation.
