Indigo Q1 Revenue Up 1.6%

TORONTO, ONT - July 30, 2009 -- Indigo Books & Music Inc. (TSX: IDG), Canada's largest book retailer, reported a 1.6% increase in revenue for its first quarter ending June 27, 2009.

Revenue for the quarter was \$193.6 million, up \$3.0 million from the same quarter last year. On a comparable store basis, Indigo and Chapters superstores posted 1.4% growth, while Coles and Indigo Spirit small format stores were up 0.8%. Sales from Indigo's online channel, chapters.indigo.ca, decreased 9.1% to \$19.1 million following the elimination of certain non profitable business.

Net loss for the guarter was \$2.3 million compared to a \$1.2 million loss last year.

Commenting on the quarter's results, CEO Heather Reisman said, "Given the challenging economic environment we believe these results highlight the resilience of our brands. In addition, the slight drop in bottom line results reflects our increased operating investment this year in both Pistachio and Shortcovers."

The Company also announced today that its Board of Directors has declared the previously announced regular quarterly cash dividend of \$0.10 per outstanding common share to be paid to shareholders of record as of the close of business on August 14, 2009, with a payment date of August 31, 2009.

During the quarter the Company opened one new superstore. Residents of Surrey, British Columbia now enjoy an award winning booklover's haven in their market. Milton, Ontario and Edmonton, Alberta will host the launch of the next Indigo stores in the summer of 2009.

Indigo's newest banners include Shortcovers and Pistachio. Shortcovers, launched in February 2009, is a web-based digital download service that can be accessed via computer and many popular mobile devices, including iPhone, Blackberry, Palm Pre and other handheld devices people already own. Pistachio, an eco-friendly paper, gift, and apothecary retailer and wholesaler, is positioned in the marketplace as "everyday products that are good for you and good for the planet."

Forward-Looking Statements

Statements contained in this news release that are not historical facts are forward-looking statements which involve risk and uncertainties that could cause results to differ materially from those expressed in the forward-looking statements. Among the key factors that could cause such differences are: general economic, market or business conditions in Canada; competitive actions by other companies; changes in laws or regulations; and other factors, many of which are beyond the control of the Company.

Non-GAAP Financial Measures

The Company prepares its consolidated financial statements in accordance with Canadian generally accepted accounting principles. In order to provide additional insight into the business, the Company has also provided non-GAAP data, including comparative store sales growth, in the press release above. This measure does not have a standardized meaning prescribed by GAAP, and is therefore specific to Indigo and may not be comparable to similar measures presented by other companies. Comparative store sales growth is a key indicator used by the Company to measure performance against internal targets and prior period results. This measure is commonly used by

financial analysts and investors to compare Indigo to other retailers. Comparable store sales are defined as sales generated by stores that have been open for more than 12 months.
